An intimate golf experience...

*...in the heart of the country*

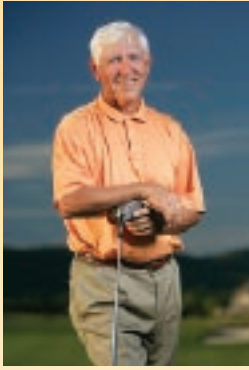

## *The course...*

*A magnificent 7,100 yard, par 72 golf course that sits on 300+ spectacular acres of rolling hills nestled between Chester and Long Valley.*

### **Course Overview**

For the low handicapper, the course will stretch to **almost 7,100 yards**, with broad fairways winding through trees and along the ridgeline. Lakes and streams throughout the property are utilized to create both shot value and beauty. The varied green settings will test your putting ability. **Round to round, this course will play differently; determined by conditions, course set-up and ability level. A limited membership will preserve the relaxed, unharried pace for a great golf experience in a pristine setting.**
